

zu erfassende Sippen ab 2022 (sowie verschollene Sippen und gefährdete Rubus-Arten, Fett-Druck = Sippen der Kategorien 1, 2, R Normal-Druck = Sippen der Kategorie 3)

Aceras anthropophorum

Achillea nobilis ssp. nobilis

Achillea ptarmica

Achillea setacea

Aconitum napellus ssp. napellus

Aconitum variegatum ssp. variegatum

Adonis aestivalis ssp. aestivalis

Adonis flammea

Adonis vernalis

Agrimonia procera

Agrostis vinealis

Aira caryophyllea

Aira praecox

Ajuga chamaepitys

Ajuga pyramidalis

Alchemilla connivens

Alchemilla crinita

Alchemilla cymatophylla

Alchemilla glomerulans

Alchemilla impexa

Alchemilla plicata

Alchemilla propinqua

Alchemilla subglobosa

Alchemilla vestita

Alisma lanceolatum

Allium angulosum

Allium schoenoprasum

Allium senescens

Allium sphaerocephalon

Althaea hirsuta

Alyssum alyssoides

Alyssum montanum ssp.

montanum

Amaranthus blitum ssp. blitum

Amelanchier ovalis

Anacampsis pyramidalis

Anagallis foemina

Anchusa officinalis

Andromeda polifolia

Androsace elongata

Angelica palustris

Antennaria dioica

Anthemis arvensis

Anthicus illicago

Anthriscus cerefolium ssp.

cerefolium

Aphanes austrialis

Apium graveolens ssp.

graveolens

Arabis alpina

Arabis auriculata

Arabis pauciflora

Arabis sagittata

Arctostaphylos uva-ursi

Aristolochia clematitis

Armeria maritima ssp.

elongata

Arnica montana

Arnoseria minima

Artemisia campestris

Artemisia maritima ssp.

maritima

Artemisia pontica

Artemisia rupestris

Aruncus dioicus

Asperugo procumbens

Asperula tinctoria

Asplenium adiantum-nigrum

Asplenium septentrionale

Asplenium trichomanes

Asplenium viride

Aster alpinus

Aster amellus

Aster linosyris

Astragalus danicus

Astragalus excapus

Astrantia major ssp. major

Athyrium distentifolium

Atriplex pedunculata

Atriplex rosea

Barbarea stricta

Berteroa incana

Betonica officinalis

Bifora radians

Biscutella laevigata

Blysmus compressus

Bolboschoenus laticarpus

Bolboschoenus maritimus

Bolboschoenus planiculmis

Bolboschoenus yagara

Bothriochloa ischaemum

Botrychium lunaria

Botrychium matricariifolium

Brachypodium rupestre

Bromus arvensis

Bromus lepidus

Bromus racemosus

Buglossoides arvensis ssp.

sibthorianum

Bunium bulbocastanum

Bupleurum longifolium

Bupleurum rotundifolium

Bupleurum tenuissimum

Butomus umbellatus

Calamagrostis canescens

Calamagrostis phragmitoides

Calamagrostis varia

Calamintha menthaefolia

Calluna vulgaris

Campanula bononiensis

Campanula cervicaria

Campanula glomerata

Cardamine halleri

Cardaminopsis petraea

Carduus defloratus

Carduus personata

Carex appropinquata

Carex baumhaueri

Carex caryophyllea

Carex cespitosa

Carex davalliana

Carex diandra

Carex distans

Carex elata

Carex elongata

Carex ericetorum

Carex flava

Carex hirtmannii

Carex hordeistichos

Carex hostiana

Carex lasiocarpa

Carex lepidocarpa

Carex limosa

Carex pauciflora

Carex pendula

Carex pilosa

Carex praecox ssp. praecox

Carex pseudobrizoides

Carex pulicaris

Carex secalina

Carex strigosa

Carex supina

Carex temetosaria

Carex umbrosa

Carex viridula

Catabrosa aquatica

Caucalis platycarpus ssp.

platycarpus

Centaurea montana

Centaurea nigra ssp.

nemoralis

Centaurea stoebe ssp. stoebe

Centaurium littorale ssp.

uliginosum

Centaurium pulchellum

Centunculus minimus

Cephalanthera longifolia

Cephalanthera rubra

Ceratine minor

Ceterach officinarum

Cetrelach officinarum

Chenopodium bonus-henrici

Chenopodium botrys

Chenopodium foliosum

Chenopodium murale

Chenopodium opulifolium

Chenopodium urbicum

Chenopodium vulvaria

Chimaphila umbellata

Chondrilla juncea

Cicerbita alpina

Cicuta virosa

Cirsium canum

Cirsium tuberosum

Cladonia mariscus

Clematis recta

Cnidium dubium

Coeloglossum viride

Corringia orientalis

Corallorrhiza trifida

Coronilla coronata

Coronilla vaginalis

Corydalis pumila

Corynephorus canescens

Cotoneaster integerrimus

Crepis foetida

Crepis mollis

Crepis praemorsa

Crepis tectorum

Cucubalus baccifer

Cuscuta epithymum ssp.

epithymum

Cyperus fuscus

Cypripedium calceolus

Cytisus nigricans

Dactylorhiza incarnata ssp.

incarnata

Dactylorhiza majalis ssp.

majalis

Dactylorhiza sambucina

Danthonia decumbens ssp.

decipiens

Dianthus armeria

Dianthus seguieri ssp. glaber

Dianthus superbus

Dictamnus albus

Digitalis grandiflora

Diphysastra alpinum

Diphysastra complanatum

Diphysastra issleri

Diphysastra oelgaardii

Diphysastra tristachyum

Diphysastra zeilleri

Drosera rotundifolia

Dryopteris cristata

Elatine alismifolia

Elatine hexandra

Elatine hydropiper

Elatine triandra

Eleocharis acicularis

Eleocharis mamillata ssp.

austriaca

Eleocharis mamillata ssp.

mamillata

Eleocharis ovata

Eleocharis quinqueflora

Eleocharis uniglumis

Elymus hispoides

Empetrum nigrum

Epilobium collinum

Epilobium lanceolatum

Epilobium palustre

Epipactis greuteri

Epipactis microphylla

Epipactis muelleri

Epipactis palustris

Epipactis purpurea

Epipogium aphyllum

Equisetum hyemale

Equisetum pratense

Equisetum pratense

Equisetum ramosissimum

Equisetum telmateia

Equisetum variegatum

Erica tetralix

Eryngium alpinum

Eryngium austriacum

Eryngium austriacum
